How to Login

You can access your training account [here](#) or use URL <https://learn.abcllp.com/>

Unless you have been notified otherwise, your username will be your Chambers e-mail address, and a temporary password of **ABCtraining123#** will have been set.

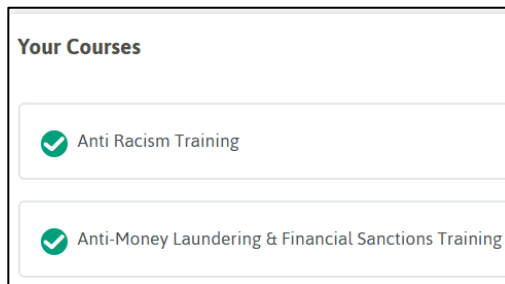

NB. Please ensure you change this password to one of your choosing when you first log in. You can do this under 'Learner Profile', 'Edit profile'.

If you have any difficulty logging in, you can request a password reset via the "Lost your Password?" link on the login page.

The ABC team are also on hand to help by emailing training@abcllp.com

A screenshot of a web login page. At the top, the word "Login" is centered in a large, bold, black font. Below it, the text "Username or Email Address" is centered above a light blue input field. Further down, the text "Password" is centered above another light blue input field. Below the password field is a checkbox labeled "Remember Me". At the bottom center is a dark blue rounded rectangle button with the text "Log In" in white. Below the button is a blue arrow pointing to the right, followed by the text "Lost Your Password?".

Learner Profile

A list of courses you have a licence for will be shown under 'Learner Profile' in alphabetical order. Clicking on the course name will take you into the training.

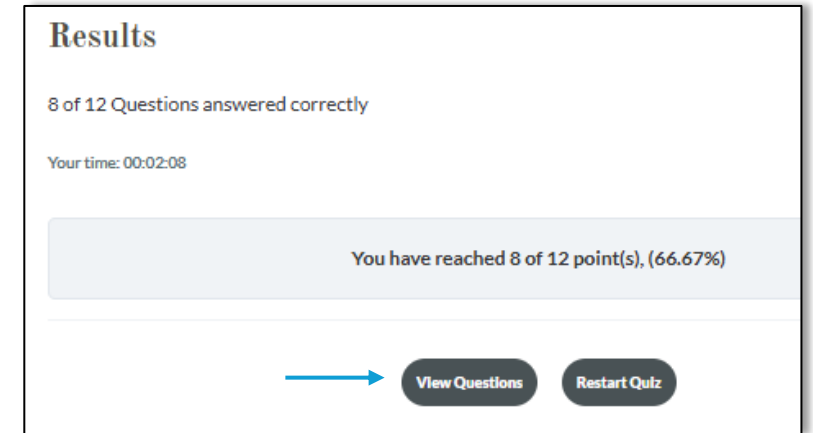

Your course is presented in a linear fashion, so you must finish each sub-section before it allows you to move onto the next. You can leave and rejoin the module where you left off at any time and via different devices. Once the module is completed, you can revisit the module and move around the sections in any order you wish.

You can revisit the course as many times as you need to during the lifetime of the licence. After completion, you can even retake the course again if you wish, including the final quiz.

Final Quiz

At the end of the training, you will be asked to take a quiz. The required pass mark is 75%.

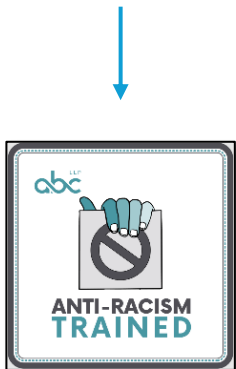

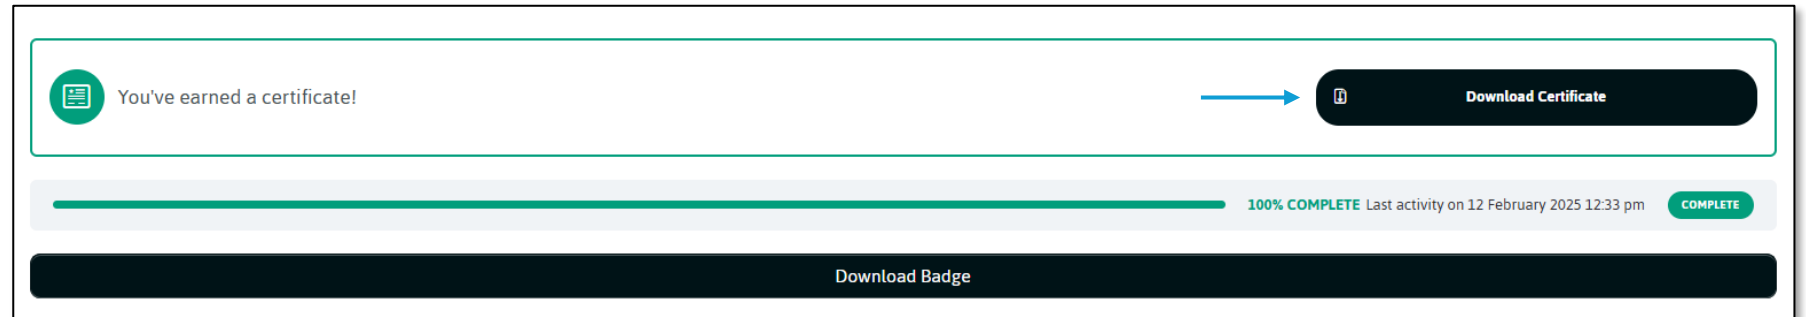

If you fail the quiz, you will have the opportunity to retake it. You can review your answers to see which questions were answered correctly or incorrectly by selecting 'View Questions', before restarting the quiz.

Certificates and Badges

Upon successful completion of a quiz, you will be able to download a certificate.

You can also download a badge to add to your email signature.

NB. The certificate is automatically emailed to you and the Group Manager.
